Fall Book Sale Results

The Book Sleuths

We can't do it without you! Sixty-five volunteers helped with the sale and worked a total of 225.2 hours. Proceeds of this sale were $3,900.00. Profits from all book sales are used to fund Friends of the Library projects in support of the Boone County Library.

The Book Sleuths have spent the last five months since the Spring Sale evaluating and pricing the great books which were donated to FOL this summer. The quality of the books we received says a lot about the support of our patrons. A special thanks to the "guys" who help stack the chairs, move the tables and bring the books from storage. We always need man-power. We appreciate all who helped unbox and arrange the books and served each day to assist the buyers. We needed all of you. Thank you to the two who called for volunteers and organized the schedule. Thank you library staff. You are always so helpful and supportive. "Thanks" is such a small word that speaks volumes.

Book donations are always welcome as we prepare for the upcoming Holiday Sale and the Spring Sale in April.
