***The Universe
The Complete Season One***
History Channel - 2007 (DVD)

I chose this set of the first season of *The Universe* series in honor of Boone County Library being one of the libraries selected by NASA to host the *Visions of the Universe* exhibit. We will never stop learning about the universe around us and I hope this DVD set will leave viewers wanting to know more.

***Main Street Arkansas
The Hearts of Arkansas Cities and
Towns—as Portrayed in Postcards
and Photographs***

by Ray and Steven Hanley

They say "A picture is worth a thousand words" and this is especially true of historical pictures. These pictures "freeze" a moment of time so that we can have an accurate understanding of what things really looked like.
