### ***Children's Book Sale Results***

By Amanda Baker - V.P. Children's Book Sale

The Children's Book Sale took place on Saturday, June 5. Prior to the 9 o'clock opening of the library and book sale a line of eager young readers stretched well into the parking lot. As the doors opened the hunt was on for that perfect book or books.

Many volunteers were on hand to lend assistance. There were many smiles on young faces made possible by your donations of books. All proceeds from the Children's Book Sale go to enhance the offerings of the Boone County Library.

We had two gift baskets filled with activities for the summer to give away. Winners were Hunter Knight and Abigail Billups. Have fun and be safe this summer.

We extend our deepest appreciation to the following people who helped with this sale:
