After Dinner Word Game

The President, who normally occupies this page, is off hunting and regrets he cannot be here to write to you about something more pressing. But, while the cat's away, the mice will play.

Fast forward to Christmas Day. The presents have been exchanged and opened and everyone has finished eating. Clear the dishes from the table, pour the coffee, maybe cut the pie and everyone sit down and play this game of words and enjoy each other's company.

Each equation contains the initials of words that are needed to complete it. Supply the missing words. For example, *36 = I. In a Y.* would be *36 = inches in a yard.*

Additional copies can be printed off our website at folbc.org. Just look for this newsletter, Pg. 2.

Answers on page six, but don't peek.

Enjoy!
