

Successful Genealogy Seminar

by Sally Jo Gibson

Friends of the Library and the Boone County Genealogy Society sponsored a Beginning Genealogy Seminar on Saturday, 19 September. Sixty-nine people braved the rain to attend the event held at the new O.U.R. building south of Harrison. Jane Adair, president of the Boone County Library board, welcomed Mrs. Lynda Childers Suffridge as did George Cline, President of Friends of the Library, and Kathleen McMurrin, President of the Boone County Genealogy Society. Nathan Cline, Technology Coordinator for O.U.R., assisted Mrs. Suffridge with the technical aspects of the seminar. Featured speaker Lynda Childers Suffridge was very complimentary of the facilities.

Mrs. Suffridge has taught genealogy classes at colleges, genealogy conferences and institutes throughout the United States. She stated that the very best facility where she had ever spoken was the local O.U.R. building. Mrs. Suffridge spoke on Getting Started the Right Way; Finding Family in the Census; Treasures at the Courthouse, Cemetery, in Newspapers and Military records; and Records in Libraries, Archives and on the Internet.

Both Friends of the Library and Boone County Genealogy Society welcome new members. Contact Kathleen McMurrin at 741-5913, for information about BCGS, and George Cline at 741-7172, President of Friends of the Library for further information.
