Children's Book Sale

Saturday, June 4th, 2011 Boone County Library, 2nd Floor, 9-2

Do you like a good joke? How about a scary story? Maybe an adventure to a faraway place where dragons and kings rule the land is more to your liking. Of course, picture books are always fun too! Whatever your heart desires to dive into for the summer, the Friends of the Library annual Children's Book Sale can start you on your way to a summer full of reading pleasure!

On Saturday, June 4th, hundreds of cherished, gently used, children's books will be on sale at fantastic prices. The hardcover books will be fifty cents and soft covers will be twenty cents. Wow! What a bargain! And can you believe the price gets better! A child five and over who has a library membership card can purchase the books at half price! For children under five their parents may present a membership card and purchase for half price too. Library membership cards are available anytime throughout the year at the front desk of the library. Children will need a parent's signature.

Friends of the Library use the proceeds from the sale of used books to supplement and enhance the services provided to our community by the library. If your children have outgrown their books and wish to donate them to the library for this sale, they would be very welcome. The library will accept donated books for Friends of the Library anytime throughout the year. Just drop off your donation at the library's front desk.

Come join us for the sale and the excitement of seeing a child with an armload of books they can't wait to dive into!

Special thanks to Perry Gaither, our in-house cartoonist, for the great signs you make for our book sales.
