

Friend's Holiday Sale

By Millie Mondahl, VP Holiday Sales

It looked like the weather wouldn't cooperate for this year's Holiday book sale. The library was closed on December 1st, the day before the sale, but Jim Miller, Library Director, let us in to set up the sale. The weather improved, and this proved to be one of the best Holiday sales ever.

For this success we'd like to thank the people who donated the books, the twenty volunteers, listed below, who worked more than fifty-eight hours on the sale, and the book sleuths who work all year to choose books for the sale. And a special thanks to the customers who braved the weather to buy books.

Proceeds from the sale totaled \$1261.00, which will be used for library support.
