

Fall Book Sale Results

by Laurie Wilson, V. P. Book Sales

The 2007 Fall Book Sale succeeded in satisfying many book-lovers while bringing in much-needed funds for the FOL. A total of \$4289 was earned from this most-recent sale of books with an additional \$470 coming in for new or renewed memberships. Everyone who donated, sorted, priced, set-up, shopped, sold and took down books played a crucial role in the success of this endeavor. Thank you for your willingness to say "yes" when called upon to help! As funds from each book sale are used to enhance library service, our community is enriched and that wouldn't be possible without the generous donations of time, energy and talent of our many volunteers listed below:

Friends Joins Forces with R.S.V.P

Friends of the Library is proud to announce that it recently became a work station of the Retired Senior Volunteer Program (R.S.V.P.) of Boone and Marion Counties. R.S.V.P., a nationwide program instituted in 1969 by an amendment to the Older Americans Act, works with nonprofit organizations and agencies—both secular and faith-based—to promote service opportunities for older Americans. It matches the personal interests and skills of older Americans with opportunities to better their communities.

This is a wonderful alliance for Friends of the Library. By becoming a work station we help strengthen our local R.S.V.P. organization and they in turn help strengthen us. Both organizations can tap into the talents, skills and experience of each other's volunteers. All FOL volunteers over the age of 55 who are or become R.S.V.P. members can pool their hours of FOL service with those of the larger R.S.V.P. organization that they may be recognized at the state and national levels. We want to tell Washington that we, as older Americans in Boone County, are strong, dedicated and concerned about our community.

Even if you only volunteer a few hours in a given year, all FOL members 55 and older are encouraged to join R.S.V.P. and become part of the collective force. For more information, or to join R.S.V.P., either call FOL President George Cline at 741-7121 or contact Sandra Hillier, CVM Program Director, RSVP of Boone and Marion Counties, 600 East Stephenson, Harrison, AR 72601, 870 741-4499.
