

CHILDREN'S BOOK SALE RESULTS

By Mary Wright

The line formed early on June 1 as eager children and parents waited for the library to open. They were looking forward to many books available at this sale. Joy filled the faces of the buyers as they searched through the several thousand books available to them.

45 boxes had been sorted and displayed on Friday afternoon before the sale. It is estimated that more than 1500 books were placed into the hands of children. Nine unsold boxes were donated to the Summer Reading Program for Milinda Evans, Children's Librarian, and they went quickly when displayed on a "FREE" trolley.

Friends of the Library realized \$361.67 from this sale. Thanks to the following volunteers for their help:
