

President's Message

Dear Friends of the Boone County Library,

With this issue, I wish to discuss memberships. First, you can learn of your status by asking any one of our group listed to the right. This same group can be asked by email. Addresses can be found at our website: www.folbc.org. Click contacts and pick your choice. Your status is also displayed on the address label of this newsletter. It indicates the level of support – Individual, Family, Sustaining, Life, Business, or Commercial. The year end in which the membership expires is also displayed. The life membership has a date of 9999. This may be wishful thinking.

If the date is less than 2008, you need to re-up or lose the benefits. A couple of benefits are this bi-monthly newsletter and first attendance at our book sales.

The *Bookplate* keeps you informed as to what is happening at the library and what Friends are doing. First in line at book sales is worth the cost of membership. You get choice of all books at the sale.

Also, you have the privilege of being called upon to help with Friends' projects. This, of course, will make you feel good about yourself; having helped with a Friends' book sale or other project, which benefits both the library and the community. And you will receive a book donated to the library collection in your honor.

Back to membership specifics. Any membership donation after the first of September of a particular year will provide membership for the remainder of that year plus the following year. Any additional contributions by a member in good standing will be taken as a much appreciated donation and not applied to additional years of membership.

Thank you all for being members of Friends of the Library. May we have a great year together.

George Cline,

President
