Friends of the Library Honored

Wow! What a pleasant surprise the Friends of the Library were presented with when they arrived for their annual meeting on November 20th. Boone County Library Board Members: Jane Adair, Robert Hudson and Judy Stroope, along with Boone County Librarian LaVoyce Ewing, surprised the FOL with a yummy table laden with all sorts of delectable sweets. There were pies, cakes, cookies and banana pudding and they were all delicious. Robert Hudson delivered a very complimentary address to the FOL thanking them for their hundreds of hours of volunteerism dedicated to the welfare of the library.

The FOL board, speaking for all members of the organization, are extremely grateful for this recognition. It certainly gave us pause to reflect on the impact we make in the betterment of our local library and community and it felt so good to be praised. Thanks to all the Library Board members that went out of their way to honor us. It was truly above and beyond and will not be soon forgotten.
