School Success for Kids With ADHD

by Stephan M. Silverman, Jacqueline S, Iseman & Sue Jeweler

Having a child with ADHD, I am always looking for information on the topic. I chose these books because they focus on the school and behavior areas of ADHD. I hope others will benefit from the information they contain.

***Manga
Everything You Need to Start Drawing Right Away!***

by Christopher Hart

Manga is a very popular art form with the kids right now. My eleven year old daughter loves to draw anime. This will be a terrific addition.
