

## Spring Book Sale Best Ever

We salute all of the FOL members who volunteered to help at the annual Spring Book Sale and the entire community for its support by donating books. The quality and variety of titles donated were attractive to our patrons, and books, as always, are offered at affordable prices. The final figure was \$4933.08 which included \$540 in memberships. Again, it was the individually priced books that produced about 57% of the total with \$2710.

Below is a list of 58 volunteers who worked 257 hours during the three days of the sale.
