### CHILDREN'S BOOK SALE

by Amanda Baker, VP, Children's Book Sale

Books often fulfill their greatest potential in the hands of a child. Friends of the Library wants to put as many books as possible into the hands of our area children during the annual Children's Book Sale, which will be held on Saturday, June 2nd, at the Boone County Library, from 9 a.m. until 2 p.m.

Hundreds of gently used and well loved children's books will be priced for young shoppers at 50 cents for hardcover books and 20 cents for soft cover books. Children with library cards and children under 6 years of age, whose parents present a library card, will be charged half price. Library cards can be obtained, with a parent's signature, on the day of the sale, or any other day that the library is in operation. This year there will be no limit on the number of books a child can purchase.

An armload of good books to read will help ward off summertime boredom and will help a child retain academic skills during those long, lazy days of summer. Come, join us for a fun day at the Children's Book Sale on June 2nd and enjoy the smiles on children's faces as they find that "special" book.

If your children have outgrown their books and wish to donate them to the library for this sale, they would be very welcome. You may drop them off at the library's front desk.

Proceeds from the Children's Book Sale are used to enhance services provided by the Boone County Library.

***I would be most content if my children grew up to be the kind of people who think decorating consists mostly of building enough bookshelves.***
