Larry J. Brandt, President
First Federal Bank of Harrison

Dear Mr. Brandt,

We want to thank you and the volunteers who came to help in Friends of the Library's Fall Book Sale. They were a joy to work with. These sixteen volunteers helped us immensely. When we gave them an assignment, it was accomplished efficiently and correctly. They saved us "older volunteers" many steps. They are more than welcome back in the future!

First Federal is to be commended for permitting their employees to volunteer to participate in various community activities during their work day. And we appreciate the advertising of our sale on the digital marquee.

Sincerely,
Friends of the Library, Boone County
